HAMISI YUSUF

PROFILE

Versatile professional with a rich background in business administration, hospitality, data management, IT and network support. Skilled in delivering high-quality customer support and adept at identifying and solving problems efficiently. Known for exceptional organizational abilities and a keen eye for detail, ensuring smooth business operations. Brings a strong track record of improving customer satisfaction and driving business growth through effective communication and strategic marketing initiatives. Thrives in dynamic environments, consistently demonstrating a commitment to excellence and a passion for learning. Highly collaborative and motivated, ready to contribute to team success and business development.

WORK EXPERIENCE

- Field Technician** May 2020 - Present
Hyperwave Networks
 - Proficiently set up network hardware and software, encompassing routers, switches, and servers, and optimized configurations to ensure peak performance.
 - Demonstrated expertise in proactively monitoring and maintaining network equipment, swiftly diagnosing and resolving issues, and executing hardware/software upgrades as necessary.
 - Implemented robust security measures to safeguard against cyber threats, including firewalls, intrusion detection systems, and encryption protocols.
 - Managed IP addresses, DNS configurations, and routing protocols to facilitate seamless communication among network devices.
 - Installed, organized, and maintained network cabling infrastructure, encompassing Ethernet, fiber optics, and coaxial cables, ensuring optimal efficiency and reliability.
 - Maintained meticulous records of network configurations, changes, and troubleshooting procedures for comprehensive reference and audit trails.
 - Utilized specialized tools to monitor network performance, bandwidth utilization, and identify and mitigate bottlenecks or congestion issues.
- Cashier and Customer service** October 2017 - February 2019
Alison Nelson's Chocolate Bar, Dubai, United Arab Emirates
 - Delivered outstanding customer service by promptly greeting guests, taking orders accurately, and ensuring a memorable dining experience.
 - Demonstrated comprehensive knowledge of the menu items, including ingredients, preparation methods, and dietary information, to make informed recommendations to customers based on their preferences and dietary restrictions.
 - Efficiently processed customer orders through the POS system, ensuring accuracy in order taking and billing. Coordinated with the kitchen staff to manage order flow and timely delivery of food.

- Managed table settings and maintained a clean dining area by promptly clearing tables, resetting them for new guests, and ensuring the dining area was always presentable.
- Worked collaboratively with kitchen staff and other team members to ensure efficient operations and high-quality service.
- Assisted in inventory management, including stock checks and replenishing supplies as needed.
- Adhered to local health and safety guidelines and company policies regarding food handling, cleanliness, and hygiene practices to ensure a safe dining environment for customers and staff.
- Handled cash and card transactions, ensuring accurate billing and providing guests with receipts.
- Balanced cash drawers at the beginning and end of shifts, reporting any discrepancies to management.
- Actively solicited customer feedback on their dining experience, passing insights and suggestions to management for service improvement initiatives.

Data Capture Clerk

October 2015 - March 2016

St Bakhita Dispensary Of Utawala, Nairobi , Kenya

- Accurately entered patient information and medical records into the dispensary's database, ensuring data integrity and confidentiality.
- Managed and updated patient records to reflect current diagnoses, treatments, and medications, facilitating efficient healthcare delivery.
- Assisted in the digitization of paper records, contributing to the transition towards a more efficient, paperless system.
- Conducted regular database backups to prevent data loss and ensure the availability of information for healthcare providers.
- Collaborated with healthcare staff to verify the accuracy of data captured and rectified any discrepancies in patient records.
- Supported administrative staff with scheduling appointments and managing patient inquiries, improving patient service and operational efficiency.
- Participated in training sessions on new data management software and protocols, staying current with best practices in healthcare data management.
- Compiled and generated reports from the database as required by healthcare practitioners, aiding in the analysis and decision-making process.
