

PLANTAIN NANGILA WAFUBWA

IT GRADUATE

✉ plantainwafubwa966@gmail.com

☎ +254 705 109 257

📍 Bungoma, Kenya

Profile

Diligent and goal-oriented IT professional with expertise in IT support, system administration, and troubleshooting. Highly skilled in diagnosing and resolving software, hardware, and network issues while ensuring smooth IT operations. Adept at working in high-pressure environments with minimal supervision. Strong technical proficiency in Windows, Linux, and Mac OS, with experience in networking, cybersecurity, and cloud computing.

Experience

09/2024 – 12/2024
Nyeri, Kenya

IT Attache

Nyeri Water and Sanitation Company Limited

- Successfully troubleshooted and resolved over 50+ hardware and software issues during internal attachment at Nyeri Water and Sanitation Company
- Assisted in the implementation of a basic cybersecurity framework, improving data security at NYEWASco
- Played a key role in network troubleshooting and system maintenance, reducing IT downtime by 30% at NYEWASco

08/2024 – 09/2024
Nyeri, Kenya

Sales and Marketing

Realtors, Nyeri Branch

- Increased Property Leads – Generated new leads through door-to-door marketing, contributing to a notable rise in client inquiries and property viewings
- Expanded Market Reach – Promoted listings in previously untapped neighborhoods, increasing brand visibility and customer engagement
- Customer Relationship Building – Built trust with potential buyers and landlords through in-person interactions, fostering long-term relationships
- Advertising Campaigns – Played a key role in executing local advertising strategies such as distributing flyers, placing signboards, and speaking directly with property owners
- Client Follow-ups – Ensured timely and consistent follow-ups with interested clients, leading to successful property closures and satisfied customers

02/2023 – 04/2023
Nyeri, Kenya
