CURRICULUM VITAE

PROFILE: A focused Information Technology career beginner and a problem solver keen to create impactful Information Technology solutions and systems that would enhance efficiency in the workplace.

CAREER OBJECTIVE

My career objective is to be a value add to the workforce of any institution I work with. I am a competent, diligent, ethical and efficient team player. I have a keen interest in applying the practical and theoretical knowledge I have acquired through my professional training. I have excellent interpersonal skills that will enable me to work in a dynamic and fast-paced work environment with a diverse workforce.

My most notable attributes are teamwork, effectiveness, personal responsibility and accountability.
