

JESSE KIPSANG

Phone: +254 114 212310 | **Email:** kipsangjesse17@gmail.com | **Github:** [kipDstar](#)

SUMMARY

A highly motivated and results-oriented professional with a unique blend of engineering and technical experience. Possesses a Bachelor of Science in Energy and Environmental Technology and a strong foundation in software development. Seeking to leverage skills in JavaScript, SQL, system analysis, and documentation to contribute to real-world projects in the government solutions space at BQI Technologies.

TECHNICAL SKILLS

- **Scripting & Databases:**
 - Languages: JavaScript, Python, PHP
 - SQL Scripting: Experience with SQL (PostgreSQL, SQLite)
- **Software Development:**
 - Frontend: HTML5, CSS, React.js
 - Backend: REST APIs, Flask, Axios, Docker
- **Other Technical Skills:**
 - Data Analysis, Modelling & Simulation, ArcGIS, Remote Sensing, Version Control (Git, GitHub)

WORK EXPERIENCE

Intern, Environmental Management

United Nations Office at Nairobi (UNON) | Nairobi, Kenya

July 2024 – October 2024

- Developed and documented a system proposal for a solar-powered aeration system, demonstrating strong technical writing and a keen eye for detail.
- Implemented a repeatable environmental inspection schedule, showcasing an interest in process configuration and system optimization.
- Engineered a cost-effective hardware re-purposing solution, highlighting innovative problem-solving in a technical context.

Engineering Attachee, Operations and Management

Kenya Power | Eldoret, Kenya

June 2023 – August 2023

- Collaborated with a 9-person team on complex technical projects, demonstrating effective teamwork and communication.
- Conducted system studies and troubleshooting, contributing to a 17% decrease in downtime and a 50% decrease in repair delays.
- Applied communication and presentation skills in community engagement initiatives within the Customer Relations Department.

EDUCATION

Moringa School | Nairobi, Kenya

Software Engineering Bootcamp, Feb 2025 - August 2025

Jomo Kenyatta University of Agriculture and Technology (JKUAT) | Nairobi, Kenya
Bachelor of Science in Energy and Environmental Technology

September 2020 – June 2024

- Second Class Honors (Upper Division)

Maseno School | Kisumu, Kenya

Kenya Certificate of Secondary Education (KCSE)

February 2016 – November 2019

- Achieved a B-Plain

PROFESSIONAL DEVELOPMENT

- June 2025: East Africa Green Hydrogen Symposium, Nairobi.
- July 2024: Development of Green Hydrogen Value Chains, by GIZ and Geothermal Association of Kenya.
- October 2023: Green Energy Africa, CapeTown, South Africa.
- September 2023: Africa Climate Week, Nairobi, Kenya.
