Nairobi, Kenya

SUMMARY

As a proactive and dedicated ICT professional, I am passionate about utilizing technology to enhance operational efficiency and solve complex problems. I bring a solid foundation in IT principles, coupled with hands-on experience in system support and maintenance. With strong troubleshooting skills and the ability to communicate technical concepts effectively to both technical and non-technical audiences, I am committed to driving reliable and innovative ICT solutions.

SKILLS

Technical Skills

- Programming Languages (Python, HTML, SQL)
- Web Design
- Knowledge of operating systems (Windows, Linux)
- Network setup and maintenance
- Data Recovery
- Hardware and software installation/configuration
- Web scraping

Professional Skills

- IT troubleshooting and support
- Problem solving and analytical thinking
- Good Problem Solver and good communication skills
- Continuous Learning and Adaptability

EXPERIENCE

ICT Intern | Ministry of Gender and Affirmative Action

June 2024 – September 2024 | Nairobi

- Efficient Troubleshooting and Issue Resolution - Diagnosed and resolved computer hardware and software issues, ensuring minimal downtime and improved productivity for end-users.
- Robust Networking Support - Assisted in the setup, configuration, and maintenance of network systems to ensure seamless connectivity and operational efficiency.
- End-User Technical Support - Provided prompt and effective technical assistance to staff, enhancing their ability to utilize IT resources effectively.
- Comprehensive Software and Hardware Management - Performed installations, upgrades, and routine maintenance of software and hardware components to keep systems up-to-date and fully functional.
- Implementation of Access Control Structures - Established secure access control measures to safeguard sensitive information and maintain system integrity.
- Database Management - Supported the design, monitoring, and optimization of databases to ensure accurate and reliable data management.

Key Accomplishments:

- Improved IT response time, leading to a noticeable increase in staff satisfaction and operational efficiency.
- Contributed to the successful implementation of secure access systems, strengthening data security protocols.

EDUCATION

KCA University Bachelor of Science in Information Technology	Nov. 2024
Achieved Upper Second-Class Honors (USCH)	
Aga Khan High School Kenya Certificate of Secondary Education	2019
Attained a B-	

CERTIFICATION
