Remote Inspection Failed

Your remote inspection has failed and requires photo resubmission.
Please review the failed items below and upload new photos.

Permit Information

Permit Number: [BLD62025-00002](#)

Address: 123 Main St, Sugar Hill, GA

Description: 400 sqft Residential addition

Inspection Type: Electrical Final

There is an outstanding remote inspection!
The following photos need to be resubmitted for review.

Failed Photos - Resubmission Required

Overall Work Area

Failed

Inspector Comments:

The overall work area is not clearly visible.
Please provide a wider angle photo showing
the complete work area.

Upload New Photo *

Choose File

No file chosen

Max 10MB, JPG, PNG, HEIC formats

Requirements:

Photo should show the entire work area with
all completed work clearly visible.

Detail Work

Failed

Inspector Comments:

Critical details are not visible in the
submitted photo. Please provide a closer,
clearer photo of the work performed.

Upload New Photo *

Choose File

No file chosen

Max 10MB, JPG, PNG, HEIC formats

Requirements:

Photo must clearly show the specific work
performed with all connections and
installations visible.
