

William Kariuki Njoroge

Nairobi Kenya 26/Jan/2002

+254 723587240 williamnjoroge910@gmail.com

Summary

Fullstack developer dedicated to continuous learning and the creation of practical, real-world solutions utilizing the latest cutting-edge technologies. I am good at NodeJS, Python and a little bit of Java language. For most of the languages, I'm also well versed in libraries/frameworks like Django, Express, Flask, FastAPI, React and CSS styling libraries like Tailwind. I aim to work in a highly competitive environment with a perfect challenge by contributing the best for the growth of the organization while ensuring the growth in personal career

Education

Cooperative University Of Kenya

2020 – 2024 | BSc Computer Science

Experience

Izone Limited
