CAREER PROFILE

An accounting major graduate from the University of Nairobi with an outstanding professional and educational background in financial accounting and reporting, audit and assurance, book keeping, tax laws and practices, cost accounting and analysis.

I take pride in my ability to learn quickly and adapt to changes, provide leadership and guidance, manage pressure and provide solutions.

I am a self-driven person, hardworking, diligent, friendly, and able to execute tasks at hand under minimum supervision with an inspiration to empower the society, the immediate and future generations.
