Education

Bachelor of Science in Applied Computer Science Sep 2021 - Nov 2024

Daystar University, Nairobi

I acquired a degree in **Bachelor of Science in Applied Computer Science(ACS)** and earned a **Second Class Lower Division with a GPA(Grade Point Average)** of 2.55.

- Developed a strong foundation in programming languages such as Java, Python, and C++, enabling effective software development and problem-solving skills.

Diploma in Information, Communication and Technology Jan 2020 - Aug 2021

Daystar University, Nairobi

I acquired a diploma in **Information,Communication and Technology (I.C.T)** and earned a **Distinction** with a **GPA(Grade Point Average)** of 3.43.

- Gained advanced knowledge in network design and management, focusing on the implementation of effective communication solutions for organizations.

International Computer Driving License Apr 2019 - Jul 2019

IAT(Institute of Advanced Technology), Nairobi

I successfully completed training in key computer applications and earned an ICDL Profile Certificate, demonstrating proficiency in modules such as Word Processing, Presentations, Online Essentials, Computer Essentials, Spreadsheets, Online Collaboration, and Using Databases.

Kenya Certificate of Secondary Education Feb 2015 - Nov 2018

Dagoretti High School, Nairobi

I am a self-motivated and detail-oriented individual with strong communication skills and a solid background in Computer Studies. My passion for technology began in high school, where I built a strong foundation in ICT, and I have since advanced these skills at the university level through both academic learning and hands-on experience.

Kenya Certificate of Primary Education Jan 2004 - Oct 2014

By Grace Academy, Nairobi

I began building foundational skills such as effective communication and teamwork in primary school, which laid the groundwork for my academic and personal development in later years.

Employment

ICT Attache Jun 2021 - Aug 2021

State Department for Public Service, Nairobi

- Successfully completed a three-month industrial attachment under the ICT Department.
- Gained hands-on experience in ICT support, including troubleshooting, basic networking, and system maintenance.
- Developed practical skills in user support, software installation, and data management.

I consent to the processing of my personal data for the purpose of recruitment for the position to which I am applying.
