PROFILE SUMMARY

Aspiring Python developer and cybersecurity professional with a Bachelor's degree in Telecommunications from Strathmore University, currently working as a Technical Support Specialist at Calltronix Kenya (KatiCRM). I bring practical experience in system troubleshooting, user support, and delivering reliable technical solutions. Proficient in Python, and currently serving as a part-time instructor at Gomycode Kenya, where I design lesson content, guide students, and assist in debugging their code.

WORK EXPERIENCE

Calltronix Kenya

2025 - PRESENT

Technical Customer Support Executive

- Provided technical assistance to clients, troubleshooting and resolving issues related to software, hardware, and connectivity.
- Ensured timely and effective resolution of customer queries, maintaining high levels of client satisfaction and service quality.

Gomycode Kenya

2024-PRESENT

Part-time Python Programming Instructor

- Developed and delivered engaging Python programming lessons, helping students enhance their coding skills.
- Assisted students with troubleshooting and debugging Python code, improving their problem-solving abilities.
