- Data Science
- Google Analytics, Power BI, PostgreSQL
- Microsoft Office Suite (Word, Excel, PowerPoint, Outlook)
- Computer Maintenance & Troubleshooting
- Database Management & Data Analysis

- Network Administration & IT Support
- Web Development & Digital Marketing
- Transcription & Data Entry

Soft Skills:

- Analytical Thinking & Problem Solving
 - Leadership & Team Collaboration
 - Time Management & Organization
 - Adaptability & Continuous Learning
 - Communication & Client Relations
-

Education

Bachelor of Business Information Technology (BBIT)

Jomo Kenyatta University of Agriculture and Technology (JKUAT), Kenya
2013 – 2018

Certifications

- Introduction to Cybersecurity – CISCO - 2026
- Security Analysis – Cyber Shujaa - 2025
- Certified Ethical Hacker (CEH) -2025
- IBM Cybersecurity Fundamentals - 2022
- KYOEP Certification – ICT Authority - 2018

- Digital Marketing Certification -Google - 2018
-

Professional Experience

Lead ICT Intern – Bungoma Central | Ministry of Education

February 2022 – February 2023

- Led ICT initiatives, maintaining and troubleshooting sub-county computers and network systems.
 - Organized student data using Excel formulas and retrieved data from PostgreSQL for NEMIS reporting.
 - Linked school bank accounts to NEMIS for streamlined financial operations.
 - Trained teachers on digital tools, including laptops and tablets, to enhance learning delivery.
 - Generated CBC digital content for Grades 1–10 and maintained ICT equipment including printers and projectors.
-

Transcriptionist

June 2023 – August 2025

- Transcribed audio recordings with high accuracy and attention to detail.
 - Managed multiple transcription tasks under tight deadlines using Microsoft Word and transcription software.
 - Ensured clarity, correct formatting, and error-free documents for client submissions.
-

Data Entry Clerk | Ministry of Interior & Coordination – Immigration Department

June 2019 – August 2019

- Captured and verified sensitive data from birth and death certificates.
 - Maintained confidentiality and ensured data accuracy before submission to central servers.
-

Enumerator | Kenya National Bureau of Statistics (KNBS)

August 2019

- Collected household survey data accurately and submitted via Computer-Aided Personal Interviewing (CAPI) devices.
 - Organized and maintained survey data in database tables.
-

Digital Marketing| Africa 118

May 2019 – August 2019

- Marketed Google Maps and Google Search services using social media campaigns.
- Analyzed market trends using Power BI and accurately mapped business locations using GPS tools.
