PERSONAL PROFILE

I am a strong, innovative, ambitious, self-driven and dedicated person with a High School Certificate and IELTS Certificate. I can cope with challenges and find unique ways to solve them giving me the ability to work in challenging and unfamiliar environments. I am an Athlete who has learned to be time cautious, a Team player able to follow instructions and at times give instructions as a team leader. I am a champion of change and I believe in making educational material including books, stationary and digital notes available for the young generation in my Country and in Africa at large in order to bring change one life at a time. Education is the great equalizer and will be able to bring equal opportunities for all regardless of their backgrounds.

CAREER OBJECTIVE

To focus on my educational goals, athletic and IT career and in turn secure an opportunity that utilizes my Knowledge, training and skills to enable both personal and institutional growth. My future objective is to be able to engineer change in the society that focuses on sustainable development, while working towards personal growth and societal growth both locally and internationally.
