ELECTRICAL ENGINEER | NETWORK ENGINEER

A graduate of the University of Nairobi and CCNA-certified, I am committed to continuous learning and professional growth. Currently expanding my expertise in advanced engineering principles, I actively seek opportunities to enhance my skills and contribute to innovative, technology-driven solutions. I thrive in dynamic environments that push the boundaries of innovation and efficiency.

STRENGTHS AND EXPERTISE

Fiber Optic Technology
Network Design
PLC Programming

Mechanical Maintenance
Feedback Control Systems
IPRAN

CISCO Networking
Problem-Solving
Effective Communication

PROFESSIONAL EXPERIENCE

Airtel Kenya

February 2025 - July 2025

Enterprise Operations Network Engineer (Intern)

Roles:

- Collaborate with Sales and Account Managers to evaluate customer requirements and deliver technical expertise, ensuring seamless project execution for voice and fixed data solutions.
- Provide Level 2 Enterprise support by addressing escalations from the NOC team, troubleshooting client network issues across the service lifecycle - before, during, and after implementation.
- Conduct proactive analysis of network monitoring and management reports, performing tests and scheduling optimizations to enhance network-level KPIs, ensuring high-quality service and continuous performance improvements.

East African Portland Cement PLC

August 2023 - October 2023

Industrial Attaché

Accomplishments:

- Participated in scheduled maintenance of electrical and electronic systems to minimise equipment downtime.
- Gained hands-on experience working with industrial sensors, PLCs, and automated systems.
- Assisted in preparing reports, schematic diagrams, and maintenance logs for electrical systems.
- Supported the inspection and maintenance of power distribution systems, transformers, and circuit breakers to ensure efficient power flow.

EDUCATION

University of Nairobi

BSc. Electrical and Electronic Engineering

Grade: Second Class Honours

African Advanced Level Telecommunications Institute

Certificate, Cisco Certified Network Associate (CCNA)
