WORK EXPERIENCE

Rainforest Farmland – Naivasha

Data and Marketing Specialist | 2022 – 2024

- Collected, cleaned, and analysed sales and market data from multiple sources, producing weekly and monthly reports that informed management decisions and marketing strategies.
- Supported digital outreach initiatives, increasing stakeholder engagement through data-driven insights.
- Prepared and presented reports to internal teams and external partners, translating complex data into actionable business intelligence.
- Collaborated with the marketing team to align campaigns with performance metrics, contributing to improved lead generation.

ICT Authority (ICTA) – Nakuru County Office

Assistant Administrator & Network Technician | 2021 – 2022

- Provided first-line technical support to staff and users, resolving hardware, software, and network issues promptly to minimise downtime.
- Assisted in the setup, configuration, and maintenance of network infrastructure, including routers, switches, and cabling.
- Supported ICT asset management, including inventory tracking and system updates.
- Documented technical procedures and user guides, facilitating smoother onboarding and training.
