CCNA Scaling Networks – Cisco, Maseno University, January - May 2013.

CCNA Network Fundamentals – Cisco, Maseno University, September - December 2012.

Computer Applications - KMTTC Homa Bay Campus, January- April 2010.

KEY PROFESSIONAL SKILLS

- ❖ Robust computer skills & troubleshooting ability.
- ❖ Effective communication.
- ❖ Teamwork and collaboration.
- ❖ Flexibility & patience.
- ❖ Analytical Skills.
- ❖ Leadership and innovation.
- ❖ Logical Access control management.
- ❖ Customer service & diplomacy.
- ❖ Confidence & self-management.
- ❖ Reliability, problem-solving, creativity.
- ❖ High personal integrity and social responsibility.

CORE COMPETENCIES

- ❖ Windows Server 2008 R2, 2012 R2, 2016 & 2019 administration.
- ❖ ICT Helpdesk Administration for ICT Support.
- ❖ SharePoint Administration.
- ❖ Cybersecurity | Cloud computing | Office 365 Administration.
- ❖ Endpoint Security | Antiviruses | Firewalls | SIEMS.
- ❖ ERP Administration | Microsoft Dynamics NAV 2013 | Microsoft Dynamics 365 – Business Central.
- ❖ HRMIS Administration.
- ❖ ISP Connection Monitoring.
- ❖ Systems & Information Security.
- ❖ Programming in Java, C++ | Python |C#| JavaScript.
- ❖ SPSS | Excel.
- ❖ Virtualization Technologies.
- ❖ IT Audit.
- ❖ Access Control Systems administration.
- ❖ Network Monitoring and Management.

WORK HISTORY

Assistant Systems Administrator – Capital Markets Authority (CMA): February 2024 - Date

Main Responsibilities:

- ❖ Performing daily system monitoring, verifying the integrity and availability of all server systems and resources.
- ❖ Administration of user accounts, permissions, and access rights.
- ❖ Applying operating system patches and upgrades on a regular basis.
- ❖ Performing ongoing performance tuning, hardware upgrades, and resource optimization as required configure CPU, memory, and disk partitions as required.
