Professional Experience

Safaricom – Telesales Executive (Technology & CRM Support) | Oct 2024 – Present

- Supported customers in adopting cloud and security products (Safaricom Cloud, M-Pesa security features, mobile data protection).
- Provided technical guidance on Safaricom's enterprise solutions, including connectivity and IT services.
- Promoted mobile, M-Pesa, and data products while maintaining high customer satisfaction.
- Documented and escalated technical issues to IT teams for resolution.
- Utilized CRM systems to manage customer interactions and track product usage.

SBI International AG – System Administrator | Oct 2021 – Sep 2024

- Administered IT infrastructure with Sophos XGS 5500 firewalls across multiple sites.
- Managed Microsoft 365 (Teams, Exchange, SharePoint) for 500+ users.
- Led IT projects including IP CCTV integration and wireless LAN deployment.
- Developed disaster recovery strategies using Veeam & Uranium.
- Provided Tier 2/3 support for hardware, software, and network escalations.

Crowne Plaza Nairobi Airport – IT Associate | May 2019 – Sep 2021

- Maintained and optimized network infrastructure, reducing downtime by 25%.
- Supported ERP (OPERA PMS, Oracle) to ensure system reliability and performance.
- Collaborated with vendors to resolve complex IT incidents.
- Delivered server and application support to business-critical systems.

Software Group – Software Quality Assurance Specialist | Apr 2018 – Jan 2019

- Conducted functional, security, and regression testing for enterprise software.
- Coordinated updates and patch management, improving reliability and user experience.
- Documented and resolved defects prior to deployment to meet client requirements.

Independent Electoral & Boundaries Commission (IEBC) – ICT Clerk | Jan 2017 – Jan 2018

- Delivered frontline IT support for electoral systems under high-pressure conditions.
- Configured servers and client systems in compliance with IT security policies.
- Diagnosed and resolved application, hardware, and network issues.
